SUPERSHIP Service: Lesro's SUPERSHIP is available to ship within 72 hours (3 business days) of receipt of your order. There is no additional charge, but the following conditions apply:

- Upholstery is chosen from our Express Upholstery Selections card (Mixed upholsteries from this card are also eligible for Supership)
- Conference tables are not eligible for this service

*Due to lingering effects of Covid-19 and global supply chain issues, actual lead times may vary. (January 2022)

Freight Policy

Orders with destinations within the continental U.S. totaling \$2,000 list or greater and shipping to one (1) destination will qualify for free shipping. Orders totaling less than \$2,000 list will be subject to full shipping charges.

For orders shipping to AK, HI, Canada or other international destinations, please call for a freight quote.

Most products can ship via UPS/FedEx Ground. Conference and Cafe tables must ship by common carrier.

All common carrier shipments are dock-to-dock only. We will ship by the most efficient and economical method at our discretion. **Additional charges will apply** if shipment requires unique handling, if the delivery needs are expedited or time-sensitive, or if the following **special shipping services** are requested/required:

- Liftgate
- Inside Delivery
- Limited vehicle access areas
- Residential

Please contact us if you have specific shipping requirements.

Important note regarding truck shipments: Freight class varies depending on the assortment of products on a pallet. For example, freight class for a pallet of chairs might be different from a pallet of chairs and tables. Please advise if you need freight class information for your order.

Upholstery

Lesro offers an extensive selection of upholsteries that are available for use on all product lines. See pages 9 - 14 for our complete upholstery offering.

Upholstery cards and individually cut samples are available upon request at no charge.

Lesro's Express Upholstery Selections are stocked and available for orders requiring fast delivery upon request. Perfect for all your time-critical orders. Products with mixed or multiple Express Upholstery Selections are also available for fast delivery.

Mixed upholstery orders are welcome. If two different upholsteries are used on a product, (one upholstery for the seat and one upholstery for the back), pricing is calculated by averaging the grades of the two upholsteries. For example:

If the seat is grade 4 and the back is grade 2, the chair will be priced at grade 3. If the seat is grade 2 and the back is grade 5, the chair will be priced at grade 4. (All fractions are rounded up to the next higher grade.) The same calculation rules apply to chairs with three upholsteries. For all other combinations or special requirements, please inquire.

SOM (Special Order Material) service can be arranged from most upholstery suppliers. See pages 10 - 14. The listing of patterns in the **Upholstery Grades** section is not intended to be comprehensive and individual patterns are subject to change. Please call Lesro to confirm pattern availability.

COM (Customer's Own Material) service is also available and is **priced at Grade 3**. COM yardage information shown next to every item is for solid, non-directional upholsteries only. Print and directional patterns may require additional yardage. Please submit a yard sample with product specifications for approval prior to submitting COM orders. To ensure there are no delays with your order, please provide tracking information when you ship your COM upholstery.

Longer seat groupings are available for many of our product lines. (6-seater, etc.)

Connecting tables can often be used between oversize and bariatric chairs, not just guest chairs.

Most multi-seat units can utilize any combination of full arms and half arms in any position along their length.

Power units can be put in many of our tables and their locations can often be customized.

Showroom Samples

Showroom samples are available. Please contact your sales representative for details.

Assembly Services

Lesro will ship most products fully assembled upon request. The cost for this service is 7% of the grade 2 list price and is subject to a minimum total order value of \$2,000 list. Note that 4 and 5-seaters must ship in multiple cartons with only minimal assembly required at site. Conference, cafe and occasional tables cannot ship assembled.

Note that fully assembled is the default shipping method for a small number of Lesro products. (Siena 1 Seat Bench, for example.) These products are noted throughout the price guide.

Broken Carton Charges

A number of Lesro products are packaged 2 pieces per carton. (Avon and Concord) If a single piece or an odd number is ordered we will assess a Broken Carton Charge of \$20 net.

Limited Lifetime Warranty

All Lesro frames and assemblies are warrantied to be free from defects in materials and workmanship under normal use and conditions for the life of the product. Unless otherwise stated by the fabric manufacturer, all Lesro fabric, vinyl, PVC free polyurethane and Crypton coverings are warrantied for a minimum of 2 years from the date of shipment.

The warranty is valid only if the product is used for the purpose for which it was intended. It does not cover products that have been damaged by negligence, misuse or accident, have been installed or assembled incorrectly, or have been modified or repaired by unauthorized persons.

Warranty coverage is at Lesro's discretion, subject to verification. Should service be required by reason of defect or malfunction, Lesro will provide replacement parts, repair or replace the product without charge. This warranty does not apply to damage caused by a freight carrier.

Fire Codes

All Lesro seating meets the flammability requirements of the California Bureau of Home Furnishings Technical Bulletin 117-2013 (Cal TB 117-2013),

As the CAL TB 133 fire code was repealed by the state of California in January 2019, we are no longer able to certify our products to this specification. However, if you are interested in having Lesro add a fire barrier, please call for pricing and information..

ANSI/BIFMA

Lesro products are built to meet or exceed ANSI/BIFMA requirements.
